EXPERIENCE

GND Strength Society, Illinois — *Social Media Manager*

MAY 2024 - PRESENT

- Develop and implement social media strategies designed to increase brand awareness, engagement, and community growth.
- Grew GND Strength Society's organic social presence, strengthening the community and expanding brand awareness.
- Create engaging organic photo and video content using Adobe Creative Suite, while coordinating curated assets from photographers and videographers.
- Manage social media campaigns and strategies to optimize engagement and reach across the brand's digital presence.

EliteFTS, Remote — *E-Book Editor*

December 2024 - April 2025

- Edit and deliver e-books from multiple source formats, including articles and YouTube videos, with close attention to accuracy, clarity, and audience value.
- Transcribe audio and identify the most relevant and engaging material for readers.
- Manage deadlines to ensure e-books are delivered on schedule to Patreon members.

Ritual Apparel, Florida — *Social Media Manager & Content Creator*

January 2018 - May 2021

- Ran social media for an apparel brand, creating content to support brand awareness, community engagement, and apparel sales.
- Developed and implemented organic social media strategies to grow the brand's presence and foster community.
- Created graphics and visual assets using photography and graphic design skills to represent the brand.

Vitamin Shoppe, Illinois — *Store Manager*

July 2018 - September 2023

- Progressed from Assistant Manager to Store Manager in a health and wellness retail environment.
- Built hands-on experience with consumer needs, product education, customer service, and retail operations.
- Supported day-to-day store performance while developing a strong understanding of the health, wellness, and supplement category.

EDUCATION

Champlain College, Vermont — *B.S. Digital Marketing*

January 2025 - August 2026

Coursework centers on SEO-driven marketing, audience targeting, digital storytelling, social media strategy, content development, and online engagement.
